Sir:

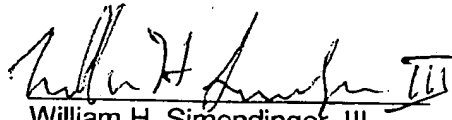

I, William H. Simendinger, III, declare that:

1. I am a co-inventor of the subject matter disclosed and claimed in the above-referenced patent application.

2. The claimed invention was reduced to practice in the United States prior to the filing date of March 9, 2001, of the cited document U.S. Patent No. 6,448,701 to Hsu.

3. Attached Exhibit A is a redacted copy of paper co-authored by myself evidencing the reduction to practice of the invention. The paper describes experimental results completed and published prior to March 9, 2001, and corresponds to the invention broadly disclosed and claimed in the above-identified patent application.

4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made upon information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under 18 United States Code section 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

  
William H. Simendinger, III
